

امدادات المتحدة
United Emdadat

2024 Company Profile

A multidisciplinary master of EPC domain.

About US

A Brief Story About The Company

United Emdadat , registered under the laws of Saudi Arabia & Aramco Approved Company, was formed by vision to provide excellent engineering & construction services to the highly challenging construction industrial sector.

The company has its head office in Al-Khobar, Saudi Arabia and is fully operated by a team of well experienced management personnel having immense experience in onshore, offshore, civil, construction, pipelines & EPC projects.

Not only it has presence in civil construction but also is an expertise in successful completion of oil & gas construction, electrical, erection, commissioning, pipelaying, excavation and operations

Infrastructure & Facilities

United Emdadat has its head office in Al-Khobar, Saudi Arabia

A fully functional yard is well maintained and operational with a plethora of tools-tackles, machineries, equipment & transportation facilities.

We are having our worker's camp and staff accommodation facilities

Our Commitments

We are committed to maintain and deliver the best in standard quality and prior-time completion of EPC projects without compromising the safety and depleting the environment.

We are committed to truly follow the Saudi industrial laws and comply with the same delivering the best in class support to the client.

ViSion

Our vision is to be a one-stop solution for fulfilling the ever-growing demands and complexities of EPC projects and its subsequent sectors.

To become the client's most preferred company with delivering prior-time completion of projects without compromising the quality & safety standards.

MiSSion

01

To continue innovate, develop, sustain and maintain the smooth flow of EPC projects majorly in Oil & Gas sectors.

02

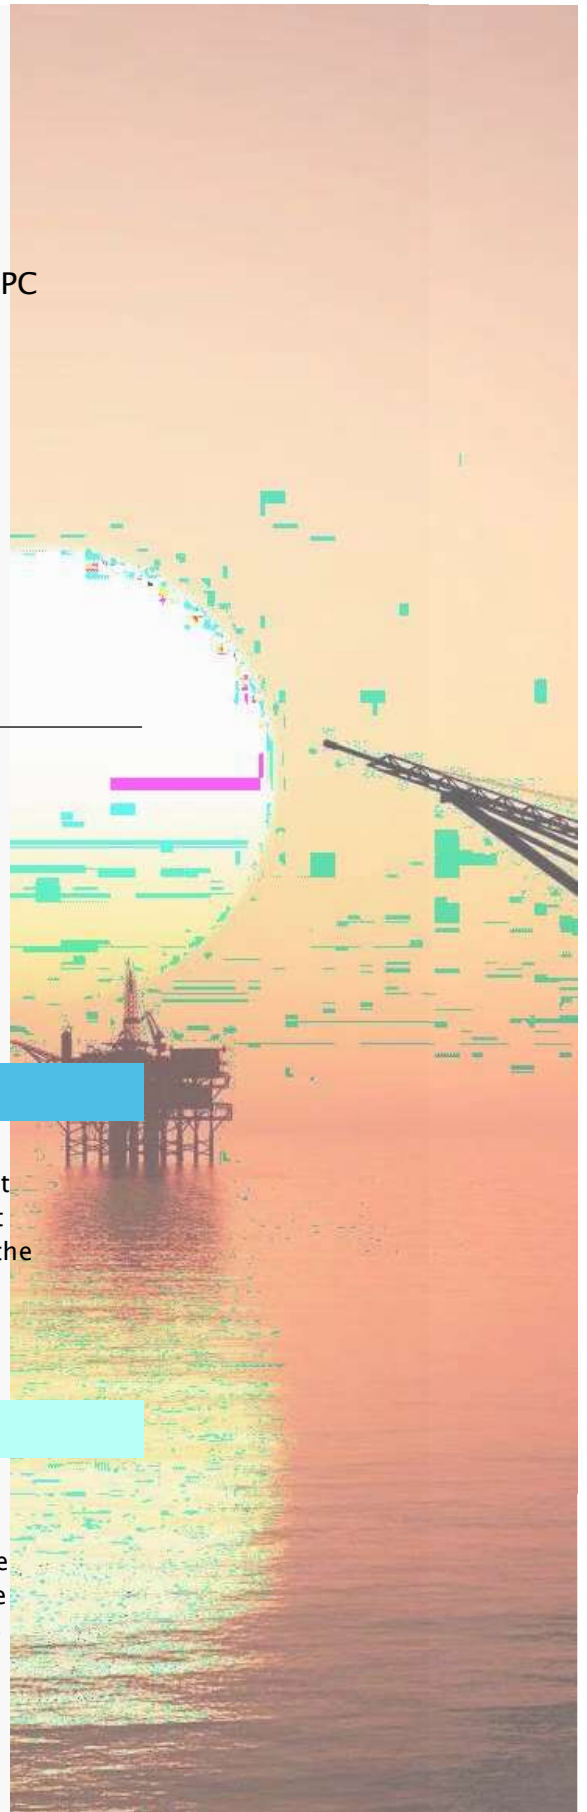

To maintain a zero-incident environment continuously without compromising with the quality standards

03

Our mission is to leave zero traces of carbon footprints, to sustain the environmental growth and maintain the work-life balance of our employees.

04

Our mission is to bridge the gap between all the stake holders and fulfill the client's requirements with giving best in class service throughout engineering, procurement & construction sectors

Saudi Aramco - Sub Contractor Approval Certificate

Saudi Aramco E-Reference No. 0000249

Registration Approval Letter

February 11, 2019

Attention : UNITED EMDADAT NEBRAS FOR CONTRACTING EST.

CR Number : 2055124235
Country : Saudi Arabia

We are pleased to inform you that UNITED EMDADAT NEBRAS FOR CONTRACTING EST. is now registered in the Saudi Aramco Supplier Management System under Vendor Code No. 10063684, provided your company continues to meet all relevant Saudi Arabian and Saudi Aramco standards.

This registration, however, should not be construed as a commitment by Saudi Aramco to procure from you. Being registered as a supplier only grants your company the opportunity, along with other registered sources, to respond to requests for submitting proposals in accordance with Saudi Aramco's established policies and procedures. All procurement instruments including but not limited to service contracts, purchase agreements, or purchase orders will be issued based on the name and address included in your commercial registration (CR), as stated in your Supplier Registration.

Saudi Aramco wishes to remind you that being recognized as a supplier carries with it serious obligations and responsibilities to act in a legal and ethical manner. We wish to remind you of the Saudi Aramco Supplier Code of Conduct (SCOC) which you acknowledged. Failure to abide by the principles set forth in the SCOC can result in adverse actions being taken by Saudi Aramco against you including suspension of you as a supplier. Saudi Aramco also expects each of its suppliers to satisfy each of the requirements of any procurement instrument which might be placed and to act responsibly and reliably as a supply chain supplier.

Material Suppliers should apply for Saudi Aramco Supplier Portal access by forwarding a request to portal-registration@aramco.com. The Supplier Portal is the main electronic business tool used between Saudi Aramco and its suppliers and serves to improve the flow and accuracy of key supply chain information.

For further information or assistance please contact the Saudi Aramco Supplier Help Desk by forwarding a request to SupplierHelpDesk@aramco.com or via the unified call center +966 (13) 874-2222.

Tarek Mohammad Al Madees, Supervisor
 Registration Unit
 Contracting Services Div

It is the responsibility of the supplier to update Saudi Aramco Supplier Registration Profile through Ariba for the following:

1. Change of Name / Commercial Registration Number / Address / Owner(s)
2. Any change of the supplier location
3. Discontinue supply of approved commodities (9COMs and 9CATS)

This is an electronically generated letter by Saudi Aramco. To verify Supplier approval status, please contact Supplier Help Desk at supplierhelpdesk@aramco.com
